

NOTIFICATION OF EXPULSION VOTE ALPHA SIGMA PHI FRATERNITY

Date _____ / _____ / _____

Dear Brother (First and Last Name) _____,

On _____ / _____ / _____ (date), the chapter will meet to take a vote to determine whether you should be expelled from the Fraternity.

The expulsion comes at the recommendation of the Standards Board. You are being brought before the chapter for the following reasons:

Should you wish to address the chapter on this subject, either be present at our stated meeting at _____(time) or submit something in writing on your behalf. You may also elect to have others speak on your behalf prior to any chapter action.

In accordance with our Constitution & By-laws, expulsion/recommendation for expulsion requires an affirmation vote of _____ (number or percentage) of the chapter members present.

If approved, the recommendation will be forwarded to the Alpha Sigma Phi Headquarters in accordance with our National Constitution & By-laws. At the time this is submitted, the action will be in effect locally until rescinded by the Fraternity. All requests for expulsion must also be approved by the Fraternity President and CEO or the Grand Council. You will be afforded the opportunity to submit supporting materials to the Grand Council or Fraternity President and CEO if you desire. If the Fraternity President and CEO or the Grand Council agrees with the chapter's recommendation of expulsion, the decision is permanent and you will be disassociated from the Fraternity for life.

Alpha Sigma Phi is a Brotherhood for life. Our decisions have absolutely no impact on how we feel individually or collectively about you. We are following established procedures to remove you from our roster based on the inclusion of your membership among our members.

President
