

CHAPTER NEWSLETTER

ΑΣΦ FALL 2017

Brothers and Family,

I hope this letter finds everyone doing well. The Eta Upsilon Chapter continues to move forward on the road to bettering ourselves. The Prudential Board is more effective and efficient than ever; utilizing a well-planned, fiscally-responsible budget and having a great recruitment season. We managed to welcome nine new members to the Chapter, which is the largest intake the Eta Upsilon Chapter has ever seen. Currently, we are in the midst of the Epsilon Class getting initiated, which is planned to occur towards the end of October. We have officer elections the second week of November and there is a great pool of capable leaders within the Chapter to ensure our success in the future.

Throughout the semester, we have hosted several key events; a few tailgates, which include the Family Weekend Tailgate. I'd like to thank all the parents for coming out and making the event successful. Other events include our community service event with the Pembroke Police Department, where brothers and PNM's washed cars for the Police Department. We have also completed a road side clean-up in the Pembroke area and hope to adopt a highway in the next few months. We have our semi-formal coming up, which will take place in Lumberton in mid-November. Additionally, we have a brotherhood Hiking Trip coming up in Boone, NC.

Lastly, I would like to take the time to talk about the Eta Upsilon Alumni Association. Starting this fall 2017 semester, the Chapter is installing an Alumni Association for alumni who wish to help and give back to their chapter. During the Homecoming Tailgate, we will be introducing the association and I hope to see many alumni there. Currently, I am looking for several alumni to fill the Eta Upsilon Alumni Association. The positions are as follows: Alumni Association President, Alumni Association Vice President, Alumni Association Secretary and Alumni Association Treasurer. If you are interested in any of these positions, please reach out to me for additional information.

In Phi,

Patrick Burns, UNC-Pembroke '15
Chapter President

ETA UPSILON (UNC-PEMBROKE)

The Pembroke Police Department is a small department, having only 16 squad cars. The Chapter reached out to the Pembroke Police Chief, Edward Locklear, who was more than willing to let our chapter give back to their department for all the work they do for the community. We spent the day washing the squad cars that patrol Pembroke.

In our chapter, Patriotism plays a big role in our daily lives. We respect the effort and hard-work the police department puts into ensuring the safety of the town that surrounds UNCP and offering any assistance they can to the campus police department. We centered this event around our recruitment so we could show all potential new members that we are a chapter that is committed to helping the community and exemplifying one of our values, charity.

BETTER THE MAN

Please consider giving to the Eta Upsilon Chapter Endowment. Your generosity will help the Eta Upsilon Chapter thrive and continue to Better the Man now and for years to come.
