The Delta Zeta Chapter of Alpha Sigma Phi has never been stronger. Not only are we stronger when it comes to active members, but even more so in the brotherhood bond within our undergraduate members.

Our executive board is doing a great job of utilizing all of the assets that we have to help maximize our potential. We are getting to a very solid point with our newly founded alumni association. We have multiple recently-graduated brothers who are constantly reaching out to our undergraduate brothers and asking to help in anyway they can.

Our Grand Chapter Advisor, Dan Bauer, Rensselaer '94, is one of the greatest assets to our fraternity. He is constantly in the running for Chapter Advisor of the Year and through the perspective of someone who has worked with him for three years, I can honestly say we would not be where we are today without his guidance.

We are already making great strides this semester in philanthropy and service events. Within the first week of classes, Delta Zeta raised close to \$5,000 for the American Red Cross Hurricane Relief.

I am very excited to see what all we can accomplish this school year as we strive for Fraternity of the Year at the University of North Carolina, Charlotte, and even more importantly the Grand Senior President's Cup.

PIG PICKIN'

The annual Pig Pickin', the Delta Zeta version of a Sig Bust, was held at one of our fraternity houses on September 30, 2017.

During this event, alumni from our chapter travel back to the great city of Charlotte to come and hangout with the undergraduate brothers and get to know their fraternity brothers better. In addition, alumni get to hear of our achievements and experience first-hand where their legacy is headed. The Pig Pickin' continues to be one of the best alumni events we host as a chapter and we look forward to more gatherings in the future.

If you're interested in attending alumni events for the 2017-18 academic year, please contact our Alumni Director, [Hunter Arroyo](#).
